RE: **WIC Income Eligibility Guidelines 2011-2012**

The USDA has published the 2011-2012 income guidelines for the WIC Program. These guidelines are to be implemented effective beginning **July 1, 2011** and will remain in effect until the next annual income guideline update. Remember that income must be documented as either monthly or annual on the WIC-2 form then entered into PHAME. Please disseminate this information to all OPH and Contract WIC entities in your Region. If you have any questions, feel free to contact Monica McDaniels for further assistance (225)342-7988.
